

## Fashion Fallward

As the leaves change colors, so should the colors in your closet.

This fall, let your wardrobe reflect a unique style that will turn heads and change mood with the help of romantic frills, dramatic dresses, and warm, fuzzy sweaters while still being flirty. It's all about texture, vintage-looks, and detailed accessories this season.

### Works Wonders

Make a statement in the office without saying a word with a look that translates to after-hours as well. White wool coat, \$350, ruffle blouse, \$99, black pinstripe pleated pants, \$160, Cyndi Chan, 773-252-2520.
